

**UPHILL TRAVEL POLICY.** Non-lift access to ski area facilities such as uphill snowshoeing, hiking or "skinning", may present high danger of personal injury to participants or others and therefore may be limited or forbidden based on conditions, on-mountain activity and/or mountain policy.

Please note, *fat tire biking* and/or *mountain biking* is prohibited on the mountain during the winter season, both during day time and night time operations. Recommended recreational trails are provided by the USFS.

Prior to embarking on these uphill activities, please call the Trails Hotline for approved uphill travel routes and mountain access: **(970) 754-5907**
