NOW THEREFORE, THE BOARD OF DIRECTORS OF BACHELOR GULCH METROPOLITAN DISTRICT HEREBY ADOPTS THE FOLLOWING PUBLIC RECORDS POLICY:

1. Definition of Public Records. The term “public records,” as used herein, shall have the same meaning given to such term in the Open Records Act.
2. Official Custodian. The District shall appoint an official custodian of the District’s public records annually in its annual administrative matters resolution. The official custodian shall be responsible for the maintenance, care, and keeping of public records, regardless of whether the records are in his or her actual personal custody and control, as provided in the Open Records Act. All references herein to “custodian” shall mean the “official custodian” appointed as described herein.

3. Inspection of Public Records. All public records of the District shall be available for public inspection by any person at reasonable times as provided in the Open Records Act. All requests for public records shall be made in writing and submitted to the custodian of the District, and such requests shall comply with the requirements of the Open Records Act. The District and the custodian will comply with the requirements of the Open Records Act and any other federal or state laws with respect to whether it must, may, or cannot produce public records, or other documents or information requested, and the fees it charges for producing such public records, or other documents or information.

4. Fees for Copies of Public Records. The custodian shall furnish copies, printouts or photographs of public records requested for a fee as follows:

a. Where the fee for a certified copy or other copy, printout, or photograph of a public record is specifically prescribed by law, the specific fee shall be charged. If a fee is not specifically prescribed by law, the custodian will furnish copies, printouts, or photographs of a public record for a fee of \$0.25 per standard page. The custodian shall charge a fee not to exceed the actual cost of providing a copy, photograph, or printout in a form other than a standard page. The custodian shall charge the actual costs that the custodian incurs in having the copies made off-site by an outside copying facility.

b. If, in response to a specific request, the custodian performs a manipulation of data so as to generate a record in a form not used by the District, an administrative fee of \$33.58 per hour shall be charged the person or entity making the request. An individual or entity making a subsequent request for the same or similar records shall be charged the same fee.

c. If the amount of time required by the custodian to research and retrieve the documents necessary to fulfill a specific request exceeds one hour, including the time required to identify and segregate records that must or may not be produced, the person or entity making the request shall be charged a research and retrieval fee of \$33.58 per hour. Such fee shall be automatically adjusted, without further approval by the District, to such amount established by the State Director of Research of the Legislative Council from time to time. The District will not impose a charge for the first hour of time expended in connection with the research and retrieval of public records. This imposition of this fee shall be effective upon the publishing of this Public Records Policy in accordance with the Open Records Act.

d. In the event a public record must be scanned and saved electronically prior to transmitting the public record via electronic mail to the requestor as provided in Paragraph 4 hereof, the requestor shall be charged fifteen cents (\$0.15) per scanned page unless otherwise waived by the custodian.

5. Transmission of Copies of Public Records. Upon request for transmission of a copy of a public record, the custodian will transmit the public record by United States mail, other delivery service, facsimile, or electronic mail. If transmitting the public record pursuant to this paragraph, the custodian will notify the record requester that a copy of the public record is

available, but will be sent only when the custodian receives payment or makes satisfactory arrangements for payment of all costs associated with transmitting the public record and for all other fees lawfully allowed; provided, however, that no transmission fees will be charged for transmitting the public record via electronic mail. Upon receiving such payment or making arrangements to receive such payment at a later date, the custodian shall send the public record to the requestor as soon as practicable not no more than three business days after receipt of, or making arrangements to receive, such payment.

6. Electronic Records and Signatures. Pursuant to Section 32-1-1001(1)(o), C.R.S., the Board hereby authorizes the use of electronic records and electronic signatures relating to a transaction. The use of electronic records and electronic signatures in a transaction shall be governed by the Uniform Electronic Transaction Act (“UETA”), as set forth in Section 24-71.3-101 *et seq.*, C.R.S., as amended.

a. The term “electronic record” means a record created, generated, sent, communicated, received, or stored by electronic means. The term “electronic signature means an electronic sound, symbol, or process attached to or logically associated with a record and executed or adopted by a person with the intent to sign the record. The term “transaction” means an action or set of actions occurring between two or more persons relating to the conduct of business, commercial, charitable or governmental affairs, except as otherwise provided by the UETA.

b. The use of electronic records and signatures is authorized in transactions between and among the District, its directors, officers, agents, employees, and assigns, and third parties (collectively, the “Parties”) that have agreed to conduct transactions by electronic means. Whether the Parties agree to conduct a transaction by electronic means is determined from the context and surrounding circumstances, including the Parties’ conduct.

c. An electronic record or electronic signature is attributable to a person if it was the act of the person. The act of the person may be shown in any manner, including a showing of the efficacy of any security procedure applied to determine the person to which the electronic record or electronic signature was attributable.

d. If a law requires a signature or record to be notarized, acknowledged, verified, or made under oath, the requirement is satisfied if the electronic signature of the person authorized to perform those acts, together with all other information required to be included by other applicable law, is attached to or logically associated with the signature or record.

7. Electronic Mail Policy. Pursuant to Section 24-72-204.5, C.R.S., the Board hereby adopts the following electronic mail policy (“E-mail Policy”) to establish guidelines for the responsible and efficient use of electronic mail (“E-mail”) services and to clearly set forth the rights and responsibilities of the District’s current and/or future employees, regarding their use of E-mail.

a. E-Mail Defined. *E-Mail* means an electronic message transmitted between two or more computers or electronic terminals, whether the message is converted to hard copy format after receipt and whether the message is viewed upon transmission or stored for later

retrieval. *E-mail* includes electronic messages that are transmitted through a local, regional, or global computer network.

b. Scope of Policy. All E-mail communications and associated attachments transmitted or received over the District's network are subject to the provisions of this policy. Additionally, since Colorado law provides that E-mail communications written in the conduct of public business are generally considered to be public records, all E-mail communications written and sent in the conduct of public business by employees of the District is subject to applicable provisions of this E-mail Policy, regardless of whether the communication was sent or received on a public or privately-owned personal computer.

c. Application of Public Records Statute to E-Mail. The Open Records Act treats electronic documents and files, including E-mails, in the same manner as paper documents. All such documents are generally considered to be public records and are subject to public inspection unless such documents are covered by a specific statutory exception. E-mail messages which are public records must be retained in either paper or electronic format in accordance with the Special District Records Retention Schedule adopted by the District. E-mail messages which are not public records should be deleted after viewing.

d. Monitoring of E-Mail Communications by the District. The District does not intend to monitor E-mail usage by its employees, if any, in a regular or systematic fashion; however, it does reserve the right to monitor such usage from time to time and without prior notice. Such monitoring may include tracking addresses of E-mails sent and received, accessing in-box messages, accessing messages in folders, and accessing archived messages. Furthermore, the District may disclose E-mail communications sent to, received by, or relating to an employee to law enforcement officials without giving prior notice to the employee.

8. Retention and Disposal of Public Records.

a. Public Records Retention and Disposal Schedule. Subject to approval by the Colorado State Archives, the District hereby adopts the Retention Schedule located on the State Archives website at <https://www.colorado.gov/pacific/archives/special-districts-records-management-manual-0>, which schedule may be amended from time to time by the Colorado State Archives, for purposes of identifying all public records to be retained by the District for a specified time period as provided therein. The District hereby designates its legal counsel as its authorized representative to submit the approval request form to the Colorado State Archives requesting approval from the Colorado State Archives for the District to follow the Retention Schedule. Upon receipt of approval, the State Archives' approval shall be attached hereto as Exhibit A.

b. Destruction of Public Records. Public records of the District shall be destroyed in accordance with the Retention Schedule by shredding, recycling, or disposing of such public records in a landfill; provided, however, that those public records of the District deemed to be confidential in nature shall be destroyed by shredding or destroyed professionally by a company that can certify to the security of the destruction. Furthermore, no public records of the District shall be destroyed pursuant to the Retention Schedule so long as such public records pertain to any

pending legal case, claim, action or audit involving the District or if the District's legal counsel determines such documents should be retained for other purposes.

9. Conflicts. In the event of a conflict between a provision set forth in this Public Records Policy and the Open Records Act, or this Public Records Policy and any other federal or state law including the UETA, the federal or state law provision shall control and this Public Record Policy shall be deemed amended to comply with all federal or state law provisions without further action by the Board.

10. Repeal of Prior Policy. This Public Records Policy repeals, supersedes, and replaces the Policy previously adopted by the Board in its entirety.

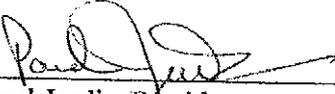

11. Amendments to Public Records Policy. The Board may amend this Public Records Policy from time to time as the Board deems necessary.
